**KEENE STATE COLLEGE
GERMAN MINOR**

This minor provides students with an active command of German. It is designed to complement any major. Recent minors have had majors in English, History, Management, Music, and ESEC. German minors may elect to study in Germany or Austria during their junior year through the Goethe Institute; the University of Maine's Junior Year in Salzburg or other approved programs. Students planning to study in German-speaking countries must consult with the Office of International and National Exchange and German faculty before departure to arrange for program approval and transfer of credit.

New students will be assigned to the proper course on the basis of placement interviews with the Modern Language faculty. In general, however, students who had no prior instruction or experience with a foreign language should register for 101. Students with one or two years of successful high school study should register for 102. Students with three or more years should register for 201. Exceptions to these guidelines will be granted only by the Modern Language faculty.

Courses taken for the minor **may** also be used to fulfill the Arts & Humanities component of the General Education requirements.
