2001-2002 Catalog

**KEENE STATE COLLEGE**
**WRITING MINOR**

The writing minor helps develop an essential skill in ways applicable to any major, and offers students a means of pursuing their own interests in the field. Students may choose to focus primarily on fiction and poetry, may concentrate on nonfiction writing, or may combine these genres. All students are required in the last year of their program to complete and submit a portfolio of revised and selected work.

One course taken for this minor may be applied to the Arts and Humanities component (B) of the General Education requirements, and one course may count toward requirements for the English major.
