III. ELECTIVES

The student will select other courses to bring his/her total to at least 126 Credits.

If you wish to use transferred courses toward major/minor requirements, you must use the Course Substitution Process. Contact your Faculty Advisor or the Academic Advising Center for more information.

NOTE: The Application Process for Admission to the Athletic Training Option begins the first week of fall semester for freshmen and transfers. Review of applicants and official notification of the results of this review occurs during the spring semester. When a student is not accepted, a consultation will be scheduled with one or more members of the Admissions Committee. During the conference, the student will be notified of any areas of deficiency which need to be addressed. The student will be eligible to reapply for admission during the next year's admission period.
