KEENE STATE COLLEGE
WRITING MINOR

The writing minor helps develop an essential skill in ways applicable to any major, and offers students a means of pursuing their own interests in the field. Students may choose to focus primarily on fiction and poetry, may concentrate on nonfiction writing, or may combine these genres. All students are required in the last year of their program to complete and submit a portfolio of revised and selected work.

Courses used to satisfy requirements for the minor may also be used to satisfy General Education requirements. A maximum of 9 credits used to complete major requirements may also be used to complete requirements for the minor.
