

MATHEMATICS Minor

Note: For advising support only.
See catalog for full degree requirements.

Name: _____ ID#: _____

Courses used to satisfy requirements for the minor may also be used to satisfy General Education requirements when such courses meet the established criteria for General Education. A maximum of nine credits used to complete requirements for the minor may also be used toward major requirements. Credits earned in courses used to satisfy multiple requirements will count once toward the total number of credits required for graduation.
