INTERNATIONAL STUDIES MINOR

This interdisciplinary minor combines a core of international/comparative politics courses with both history and geography area studies to enhance global awareness of spatial, historical, and power relationships. All International Studies minors must complete one **intermediate modern language course.** Modern language courses may be used to fulfill Arts and Humanities component (B) of the General Education requirement. Prerequisites for required social science courses may be used to fulfill Social Science component (C) for General Education requirement. Courses taken for the major may fulfill minor requirements.
