1999 - 2000

**KEENE STATE COLLEGE
POLITICAL SCIENCE MINOR**

This minor offers an opportunity for study in Political Science. Courses used for the minor **may not** be used to satisfy General Education requirements.

The minor consists of five additional courses (15 credits) in Political Science beyond POSC 201 introduction to Political Science. Of these electives, one course must be in U.S. Politics/Public Administration and another must be International Political/Comparative Politics selected in consultation with the Political Science faculty. All other electives must be 300-400 level courses. A maximum of 3 credits may be earned from POSC 496/497.
