

Keene State College Links Program Summer 2017

RA Application

SUMMER LINKS RESIDENT ASSISTANT JOB DESCRIPTION

The Summer Links Program is a comprehensive, 5-week introductory college program for first time college students. Links allows students to familiarize themselves with the academic expectations and the culture of college, all while earning 9 credits. This program is an ideal way to transition into college, providing a challenging, yet supportive environment. The primary role of a Links Resident Assistant is to support the success of each participant during this first college experience at Keene State College. For more information please use the link <http://www.keene.edu/aspire/links-connect-for-success/>

RESPONSIBILITIES:

The Resident Assistants are responsible for all facets of residential life throughout the summer program, including facilities, rules, and maintaining a positive environment to live and work in. They are aware of and monitor the mood and morale of students.

They live in the residence hall among students and take on the roles of counselor and mentor. They enforce program rules and codes of behavior and support a safe residential environment for each student. They are expected to respond to issues of concern, including, but not limited to, disciplinary, counseling and interpersonal issues. They report students who breach contract rules to their supervisor and submit appropriate paperwork as necessary. RAs also need to communicate maintenance and custodial needs as they are identified to assure a safe and clean residential environment.

Mentoring is a major responsibility for them. Students are specifically assigned to an RA. The RAs meet with these students at the start, midpoint and end of the program. During these meetings, transition, academic, programmatic and personal issues should be addressed. The RA will serve as the point of contact for students, either when they need someone to talk to or the staff have a concern that should be addressed.

Notes should be made on each student's community involvement, leadership, growth, and responsibility so that these areas may be addressed.

Facilitation is an important responsibility in many program components. RAs will be asked to facilitate during community meetings, socials and clubs. The RAs organize and facilitate residential programming components for nights and weekends. They maintain the security and cleanliness of facilities utilized by the program

Academic Support

Provide personal and academic counseling as appropriate.
Share materials and suggestions for student success.
Communicate with academic tutors and share information with Links students

Community Development/Programming

Promote an atmosphere conducive to personal and academic growth.
Assist Links students in developing and respecting College and community standards.
Facilitate at least six group meetings with all Links students, including an Opening meeting on move-in day.
Coordinate at least three social activities for Links students. Socials may be planned to involve other summer school residents, Links tutors, staff and/or faculty.

Keene State College Links Program Summer 2017

RA Application

Administrative

Meet weekly and as needed with Links Professional staff.

Meet bi-weekly with entire Links staff and faculty.

Attend weekly Links residential staff meetings.

Prior to the arrival of students, conduct a walk through of each room and common area to inventory and assess condition at time of check-in.

Complete maintenance request orders as needed.

Participate in check-in and check-out as well as orientation and end of program celebrations.

Complete all paperwork and administrative tasks associated with the residential component of Links.

Policies/Procedures

Support college policies and procedures as outlined in the Keene State College Student Handbook; including documentation of incidents and occurrences as appropriate.

Inform students of procedures to report concerns and emergencies.

Discuss issues of concern (both individual and group) with supervisor in a timely manner.

In order to provide support and supervision of the area, at least one RA in each building will need to be available for students on nights and weekends.

QUALIFICATIONS:

- Junior or senior status
- Involvement in KSC extracurricular activities
- Minimum 2.5 GPA required; 2.75+ preferred
