4. You are brought to a double paned window screen like the one shown below. On the left you see your application and on the right you will see the Review Screen. This is where the Educator Preparation Office will manage the collection of the required Application Checklist materials and notify you of your application status and other useful information.

Application Information

Application Name	Admission to Teacher Education Application 2011 - 2012
Due Date	03/10/2012 05:00 PM

Instructions

Please complete this application. All items in the checklist below must be completed and have been provided to the Teacher Education Office no later than the dates specified. Once you have submitted this application, you should continue to check your status via the review checklist. This checklist will be updated throughout the admissions process so that you can see the progress of your application. Your acceptance into or rejection from Teacher Education will also be communicated here.

Please read all of the instructions on the application. Clicking "SAVE AND EXIT" at the bottom of the screen allows you to save your work and continue at a later time. "CANCEL" will revert back to the previously saved version. Clicking "SUBMIT" at the bottom of the screen allows you to submit a completed application. We cannot review your application until it has been submitted. Note that the application must be completed in its entirety before submitting. You will not be able to recall the application to make additional changes once it has been submitted.

You can return to review your application as many times as you need to. However, once you are admitted into an Educator Preparation Program, you will need to access the full Tk20 system and this will require you

to use different login credentials. **The username and password you've been using to create and view your Educator Preparation Application will not give you the access to the full system.** Below is the information you will need for full access to the Tk20 system. This information is also available on the tutorials page of the Tk20 Resource Website: <http://academics.keene.edu/tk20> .

Tk20 Student Login Credentials (username, password)

- Usernames are your KSC NetID (everything to the left of the @ sign of campus email account)
- Student Initial Password - upon first login the password is your Student ID located on your ID card.
- **Leading zeros must be included for the Student ID in Tk20 – a total of 7 digits.**
