- a. To pay all charges and fees specified, to observe all rules and regulations of Keene State College and the Office of Residential Life and Housing Services, and to abide by the terms of this contract. Failure to fulfill the terms of this contract may lead to termination of this agreement, removal from College owned housing, and a review of the individual's status as a student at Keene State College.
- b. If the resident displays behaviors that appear to represent a threat to the resident and/or to the community (i.e. suicidal gestures, drug/alcohol overdose) the College reserves the right to remove said individual until a formal assessment determines that the resident no longer presents a threat.
- c. In the event of serious concerns about a resident's health or safety, the College reserves the right to notify the persons listed as the Emergency Contact, which each student is required to complete in order to occupy a residential space.

5. Rates and Payment (see Section 7 also)

- a. A non-refundable deposit of \$300 for returning students must be submitted with the Housing and Dining Contract agreements. - f. Meal Plans for students living in Pondsides II, or Bushnell apartments, or living off-campus, may be changed or cancelled within the first 30 calendar days of the semester. Pro-rated meal plan refunds will be given per the Dining Services Contract Terms and Conditions. All other students may add Meal Plan Dollars to their plan, but not reduce them during the year-long meal plan commitment.

6. Assignments

- a. No specific assignment based on requests is guaranteed. Failure to honor preference will not void this contract.
- b. The College reserves the right to consolidate vacancies by requiring residents in under-occupied rooms to move to other vacancies without regard to hall/room type. No additional housing charges apply in these circumstances.
- c. The College reserves the right to change room assignments at any time for health and safety concerns, repair services, student conduct reasons, community issues, or roommate incompatibility that cannot be resolved.
- d. The College reserves the right to change room assignments if in the judgment of the Director of Residential Life, a student has demonstrated a lack of maturity required to responsibly live in a suite or apartment environment. 11. Check-In and Check-Out

It is the responsibility of each student to follow the specific check-in and check-out instructions for their residential area. Consult a residence staff member for details.

- A. Check-In: The check-in procedure includes registration, and receipt of key(s) or combo(s).
- b. Check-Out: Each student is required to pre-schedule a check-out time with a residence staff member. This appointment should be scheduled at least 48 hours in advance of the anticipated departure date.
- c. Residents must remove all belongings from their room and check-out within 24 hours of their last exam of the academic year, or within 24 hours of withdrawal or dismissal from the College.
- d. Failure to check-out of the residence hall following the established procedure waives the student's right to appeal damages charges and will result in an improper check-out charge of \$50.

12. Damages and Upkeep of Facilities

- a. Each resident is financially responsible for replacement or repair of any damage to his/her room and its equipment and his/her proportional share of any common area damages (halls, bathrooms, lounges, etc.) of the residence hall. These costs will be assessed to students after reasonable efforts to identify the responsible person(s) have been made. Common area damages are not subject to appeal.
- b. When responsibility for room damages cannot be ascertained, the damage charge will be assessed equally among all room residents.
- c. Each resident agrees not to modify or allow modifications of the room or other part of the building without prior approval of the Director of Residential Life or a designee. This includes shelves, partitions, cable, painting, plumbing, heating, or other structural changes. Similar approval is needed for alterations to furniture or to replace College furniture with student owned items.
- d. Furniture cannot be removed from student rooms or common areas, nor exchanged with furniture from another student's room.
- e. Storage for personal property, or unwanted room furniture is not provided by the College.

Each resident agrees to use all public areas in a careful manner and to help in assuring their cleanliness.

g. Residents who have private or semi-private bathrooms are required to clean their bathrooms on a regular basis. Failure to do so may result in charges for additional cleaning, removal from the residence hall and restrictions on future housing assignments.

h. Each resident agrees not to duplicate the room keys or share their combination. If the key is lost (or duplicated), or the combination shared, the resident agrees to pay the charge for key and lock core replacement or combination change.

i. A damage deposit of \$100.00 will be paid prior to each student's first semester in College Housing as an indemnification against damage to or loss of residence hall property or facilities. After individual and common area damages are applied to the student's account, the deposit amount remaining will be refunded following the last semester the student resides in College Housing.

13. Room Entry and Searches

a. To maintain an environment that facilitates scholarship and provides for the health, safety, and protection of residents and of their property, it may become necessary at times for the College to enter student rooms. Staff member(s) will not enter a student's room without the consent of a resident except as follows:

1. For inspections pertaining to fire, safety and health regulations, for repairs and for routine maintenance; or
 2. For residence hall opening and closing inspections; or
