Marlborough Project Rhodes 210

Learn and Teach in an elementary classroom while taking your 6 KSC EI Ed courses in Marlborough School! Participate in an innovative partnership in a thriving learning community!

Science Center Open House: Lobby of the Science Center (the end of the building closest to the Student Cntr)

New Students are invited to attend the Science Center Open House in the David F. Putnam Science Center. This is an excellent opportunity to explore the departments and laboratories where your peers are pursuing degrees in the physical and natural sciences. If you have considered earning a science major or minor while at KSC or would just like to witness what opportunities exist for students with these degrees, then this event provides you with a chance to learn about the exciting possibilities a science degree could have on your future!

Globally Speaking: Morrison 110

Do you want to study abroad and live in Seville or Paris, travel through the Amazon, or hike the Austrian Alps? Would you like to see how a second language can help you attain the job of your dreams? Are you considering studies in French, German or Spanish?

Too Young to Settle: Science Center 175

Dream and plan your options. Don't just settle for something because it is easier. You can join KSC alums as leaders in law and medicine. KSC's pre-law and pre-med advisors discuss career options.

Investigating History: Morrison 107

By using passports of Jews escaping World War II Germany, students will gather as much information as they can to craft a story in history. The passports are borrowed from archival materials in the Mason Library.

Keeping It Real: Science Center 101

Explore your own perceptions and feelings about alcohol and other drugs and learn skills to support your values. Be prepared to act decisively when presented offers to use or abuse substances.

You Can Make a Difference: 309 Student Center

Keene State College's American Democracy Project advances the public Liberal Arts mission by providing opportunities for community engagement in public policy issues and active citizenship. You can make a difference! Come learn how!

Bringing Sexy Back...to Sustainability Madison Lounge, Student Center

You came to KSC for the beautiful campus and great academics; now learn about what makes KSC one of the top green schools in the US on this tour of campus. We will award a few prizes in this session too!

Studying Away at KSC: Global Connections and Opportunities: Student Center, Mabel Brown Room, 2nd Floor

Find out where and how you can study away from returned study away students and Global Education office staff. Go Global!

How to Earn Your KSC Master's Degree in ONE YEAR, Science Center 102

A Master's degree from KSC is a great addition to your liberal arts bachelor's degree. The Master of Education degree can lead to certification in Special Education or Guidance Counseling (2 yr.), or choose Curriculum & Instruction and the Master of Science degree is for Safety & Occupational Health majors or minors.

Yes Means Yes: A Guide to Good Sex: Arts Center, Recital Hall

There are many ideas about what "good sex" means. In this workshop we will learn how to safely and respectfully seek what we want when we want it.

Walk Across America with NHGA: Science Center Lobby (the end of the building closest to the Quad)

Interested in Geography, Education or both? The Department of Geography houses the New Hampshire Geographic Alliance. One of our outreach programs for K-12 education is the giant maps, come explore it with us.

It's Never Too Early: Rhodes 203

Learn about Keene State resources that can help you save money, save time, and beef up your academic credentials. Attend this short interactive program introducing Summer Session, Weekend Classes, Graduate Degrees, and Summer Momentum.

Pride and Safe Space for our LGBTQ Community: 307 Student Center

Are you unsure whether there is a supportive community for lesbian, gay, bisexual, transgender, and queer people at Keene State College? Yes, there is, so come learn about the student club, KSC Pride, and the campus-wide resource called Safe Space.

Repairing a Broken World: Holocaust and Genocide Studies at KSC: Student Center, Mt. View Room, 3rd Floor.

Interested in promoting social justice, human rights, and universal equality in your community as well as the world? Come see how our unique program might be the perfect fit for your interests and passion.
