

Wisdom to make a difference.

The Keene State College Alumni Association

Founded by graduates in 1910, the Keene State College Alumni Association is a dependent affiliate of the College. Its policy and programs are determined and directed by a Board of Directors.

The Association has more than 27,000 members throughout the United States and internationally. Through committee and regional activities, college involvement, alumni events, programs, benefits, and services, the Alumni Association promotes the welfare of alumni and Keene State College.

**Mission:**

**Promoting the welfare of  
alumni and Keene State  
College.**

**About the Board of Directors**

The 15-member elected KSC Alumni Association Board of Directors and ex-officio members are responsible for directing policies and programs of the Association that promote the welfare of alumni and Keene State College.

The work of the Association's Board of Directors is carried out through standing committees of the Board. These committees cover such areas as communication, honors and awards, advocacy, nominations, cultivation/events, strategic planning, career support services, students as future alumni and volunteerism. Ad hoc committees are also formed to perform special work.

The Board of Directors holds meetings throughout the year. At its meetings, the Board transacts Association business and discusses the strategic direction of the Association and how to best involve alumni in the advancement of the College. In addition, the Board frequently interfaces with students, campus administrators, community leaders, state and federal legislators, faculty and staff.

The offices of the Alumni Association are located in the Barry Alumni House on the Keene State College campus 229 Main Street Keene, NH 03435-2701 [www.keene.edu/alumni](http://www.keene.edu/alumni)
