

## Driver Education Teacher Certification Program

**Provisional Certification** requires an application to the program prior to registering for the first course. Course requirements for Provisional Certification are:

- Introduction to Traffic Safety
- Driver Education Classroom Methods
- In-Vehicle Driver Education Methods

**Standard Certification** requirements must be completed within two years of receiving a Provisional Certification. Course requirements for Standard Certification are:

- Alcohol, Drugs, and Driving
- Adolescent Growth and Development
- Special Education in the Schools
- Learning Styles/Teaching Styles

### Please Note:

- Students are **required** to have access to the Internet for all courses plus the ability to use Microsoft programs such as Word, PowerPoint and Excel. Many course components will be accessed through MyKSC internet accounts and email and will use software such as identified above.
- State of NH Driver Education Teacher certification requirements include driver license possession for five consecutive years, a high school diploma or GED, valid operator's license and acceptable driving record.

The following courses are offered in Manchester, N.H. in Fall, 2009

### SAFE 222 - SC1C : Introduction to Traffic Safety

Elements that compose driving and the highway transportation system. Emphasis is on human performance, traffic engineering, and related research. For educators and those whose responsibilities include motor fleet safety. Due to the extensive content, students can expect considerable out of class assignments. **Prerequisite:** Acceptance to the Keene State Driver Education Teacher Certification Program.

**Credits:** 3

**Instructor:** Gary Guzouskas
