

Keene State College
Office of Development

Proposed Projects for Support

Each year, Keene State compiles a list of specific campus giving opportunities to support through contributions from alumni reunion classes and friends of the College. The Development Office serves as a liaison between you or your department and potential supporters interested in your project or unmet need.

If you have a special project in mind or an unmet need, complete the form below. Please note all proposed projects must be approved by your academic dean or director before this form can be returned to: **Melinda Mosier, Office of Development, MS 2701. Please direct any questions to Melinda at ext. 2378 or mmosier@keene.edu.**
