and the
Keene State College Dietetic Internship
____________________________________

Date

THIS AGREEMENT is made and entered into as of the date noted above, by and between the KEENE STATE COLLEGE, a body corporate and politic organized under the provisions of the New Hampshire Revised Statutes Annotated Chapter 187-A (the “College”) and ___________________________________________ (name of company or facility), ___________________________________________ (city/state) a corporation organized and existing under the laws of the _____________ (state) (the “Facility”).

Preliminary Statement

The parties want to support Keene State College Dietetic Internship (the “Program”) and to provide a supervised clinical experience for Dietetic Interns by establishing a clinical education program at the Facility. This Agreement sets out the requirements the parties agree to meet as a condition of participating in this affiliation.

The parties agree as follows:

1. Responsibilities of the College
   1.1 Designate a faculty member who will be responsible for coordinating all aspects of the Program with the Facility.
   1.2 Select as participants in the Program only those students who have received an appropriate level of instruction and training.
   1.3 Require the students and any clinical faculty members to abide by all policies and procedures of the Facility.
   1.4 Ensure that students have documentation of immunity or immunization against rubella and rubeola, mumps, diphtheria, tetanus, and measles (if born after 1956) and an update on status of immunity to varicella. The College will ensure that students provide documentation of a recent tuberculin test or chest x-ray, and hepatitis B vaccine. If the student has chosen not to receive the hepatitis B series, a signed statement of declension will be provided.
   1.5 Ensure that every student will be covered by professional liability insurance to the limits of $1,000,000 per occurrence and $3,000,000 aggregate.
   1.6 Review the progress of each student with Facility’s preceptors on a monthly basis.
   1.7 Provide participating students with education on occupational exposure to blood-borne pathogens and provide Facility with documentation of each assigned student’s participation in such education in advance of the start of the Program.
   1.8 Require the students and clinical faculty member(s) to maintain as confidential all patient records and other data to which they have access and not to disclose or to copy the same without the express written permission of the Facility.
   1.9 Require the students to maintain health insurance coverage during the term of the Program.

2. Responsibilities of the Facility
   2.1 Coordinate with the College to develop a planned, supervised program of clinical instruction and evaluation consistent with the objectives of this Agreement.
   2.2 Provide appropriate facilities, equipment and supplies for completion of the Program.
   2.3 Provide an appropriate orientation to its facility for interns.
2.4 Provide supervised learning experiences for the students. Facility’s supervisor(s)/preceptor(s) shall be Registered Dietitians with a minimum of one year’s clinical experience.

2.5 Provide training for the students on all aspects of the Facility’s confidentiality and privacy policies, including HIPAA policies and procedures.

2.6 Treat the students in a fair, equitable, and professional manner.

2.7 Ensure that students are not used to routinely replace regularly scheduled employees unless it is a planned experience of the program (Fair Labor Standards Act, 1973 & Fact Sheet #71, April 2010).

2.8 Participate in the clinical evaluation of the students, noting, however, that the final responsibility and authority for a student’s evaluation and program completion remains the exclusive responsibility of the College.

3. **Responsibilities of the Students**

   3.1 Follow the policies and procedures of the College program in which they are enrolled, which include items such as an absence policy. While participating in this program, while on- or off-campus, students will be governed by KEENESTATECOLLEGE policy.

   3.2 Follow the policies and procedures of the Facility.

   3.3 Follow and practice the HIPAA policies and procedures of the Facility.

   3.4 Provide own transportation to and from the Facility.

   3.5 Provide all insurance as noted in ¶s 1.5 and 1.10.

   3.6 Obtain and submit a clinical background check to the Program at the beginning of the internship year.

4. **Mutual Agreements and Responsibilities of College and Facility**

   4.1 No person shall, on the grounds of race, color, sex, religion, handicap, age, or national origin, be excluded from participation in, denied the benefits of, or be subject to discrimination under the terms of this Agreement.

   4.2 Designates of the College and the Facility will confer at least annually to review and discuss the progress of the Program.

   4.3 No student, while participating in the Program, shall be deemed to be an employee of the Facility.

   4.4 The parties agree that the Facility may terminate the participation of any student in the Program if the Facility determines in its sole discretion that the student’s work performance is unsatisfactory. In the event of termination, Facility will promptly notify the College and the College will take whatever steps are necessary to remove the student from the Program. In the case where the Facility terminates a student without first discussing the situation with a College representative, within one week of such removal, appropriate representatives of Facility and the College shall meet with the student to discuss the reason for removal and to reinstate the student if the problem is resolved to the satisfaction of the Facility.

   4.5 The Program is a nonprofit education program. No monies are required to be paid to the Facility for its participation in the Program.

5. **Indemnification**

   5.1 To the extent provided by Law, each party agrees to indemnify and hold harmless the other party, its trustees, officers, directors, agents, employees and students from and against any and all liabilities, claims, damages, awards, judgments, costs and expenses (including reasonable attorneys’ fees) to the extent such liabilities, claims, damages, awards, judgments, costs and expenses (including reasonable attorneys’ fees) arise out of its breach of its responsibilities under the terms of this agreement, or its negligent acts or omissions or the negligent acts or omissions of its trustees, officers, directors, agents, employees and students in performance of those responsibilities. This section shall survive termination of the Agreement.

6. **Term and Termination**

   6.1 The initial term of the Agreement shall be from ______ through ______. This memorandum of understanding will be in effect from date of signing and renew annually until termination by mutual agreement of the party or as described herein.
6.2 Either party may terminate this agreement with or without cause by giving the other party sixty (60) calendar days’ written notice. Provided except in the case of unavoidable extenuating circumstances, or material breach of the Agreement by the College, any such notice of termination issued by Facility shall not take effect until the end of the clinical rotation of any students currently assigned and participating in the Program.

7. Notices

7.1 Any notice required to be given pursuant to the terms and provisions of this Agreement shall be in writing to the Facility and/or the College at the addresses listed below:
