

# Global Education Office

*Keene State College*

**The Global Education Office (GEO)** offers opportunities to global learning that can give you new perspectives in your field of study, enhanced professional preparation and expertise, and intercultural competencies and communication skills. We expect that these experiences will broaden and deepen your understanding, and we're here to support you every step of the way.

\*Programs with English language courses.

**Other Programs:** Students with a compelling academic reason to study away at a destination and/or institution not on the KSC approved program list may be able to petition the GEO Director for approval. Other study away options are also available, including summer programs, internships and/or service learning, and KSC faculty-led programs.

**Financial Costs and Financial Aid:** KSC approved programs vary in terms of cost. Whatever KSC approved program you choose, you will remain eligible for financial aid. Costs listed above are subject to change and approximate only.

- Same = Academic Costs are Same or within \$500 of KSC tuition plus fees (GEO Fee is not included)
- Higher = Academic Costs up to \$3,500 more than KSC tuition plus fees (GEO Fee is not included)
- Much Higher = Academic Costs are at least \$3,500 more than KSC tuition plus fees (GEO Fee is not included)
