*** This category includes all on-campus incidents, including those listed in the categories below, "Number in dormitories or other residential facilities" and "Number in non-residential facilities." Therefore, the two categories are not cumulative, but duplicative.

Each statistic, resulting in bodily injury that is motivated by a type of bias or prejudice will have a superscript notation for the type of bias. Numbers in superscripted parenthesis indicate the number out of the total number of incidents that were motivated by each type of bias. If hate crimes occur involving bodily injury, but do not fall in the above categories, they must be separately noted in an additional section.
