

## E-Check:

- Check with your bank if you have any questions about the proper routing or bank account numbers to enter. Here is a guide:

The routing number is the first nine digits on the bottom left hand corner of the check.

The Account Number is the set of numbers that are in the middle of the bottom of the check ending right before the **⑆** symbol. This is often completed before the **⑆** symbol but not always.

- To pay using a savings account please contact your financial institution for the routing number (DO NOT TAKE IT FROM A DEPOSIT SLIP)
- If your e-check is not honored (invalid account, NSF, or similar problem) you will receive written communication from KSC. KSC will charge a \$20 fine and your bank also apply a charge.
