for the 25th Annual Outstanding Women of New Hampshire Awards

Each March, as part of the campus celebration of Women's History Month, Keene State College recognizes the diverse accomplishments of outstanding women. The **2015 Outstanding Women of New Hampshire Awards**, to be held on **March 25th**, celebrates all women by honoring four individuals deserving of this recognition.

Save the date!

The theme for the 2015 National Women's History Month is ***Weaving the Stories of Women's Lives***. With this theme in mind we will celebrate the courage and ingenuity of women who support and share women's voices within and beyond their communities. The awards will connect women's various achievements on a local and regional level with those of women nationwide.

We are inviting nominations for women who embody this theme and have made significant contributions to the campus, community, and state of New Hampshire. Awards are given in four categories: KSC student, KSC faculty or staff member, greater Monadnock Region, and the state of New Hampshire. The nominee's contributions, in addition to celebrating, supporting and sharing women's voices, might include, but are not limited to, the following:

- Leadership/Courage
- Innovation/Creativity
- Advocacy/Mentoring
- Promotion of diverse voices
