COUNSELING SERVICES

The Wellness Center provides a wide range of emotional health supports for all students. The staff consists of licensed mental health providers and interns from regional/national graduate schools supervised by the licensed staff.

Counseling Services include:

- Individual Counseling
- Group Counseling
- Couples Counseling
- Substance Abuse Counseling & Substance Misuse Screenings
- Off-Campus Referrals
- Crisis Counseling & After-Hours Emergency Hotline
- Consultations to Parents/Families, Staff, Faculty, & Students
- Emotional Wellness Workshops

The Wellness Center strictly maintains students' privacy and adheres to all federal confidentiality laws.

A \$25 fee may occur for no show/late cancellations.

HEALTH SERVICES

The Wellness Center provides an appointment-based acute care medical clinic for KSC students. The staff is a team of certified and licensed health professionals.

Health Services Include:

- Acute Illness/Acute Injury Care
- Sexual and Reproductive Health Care
- Transgender Care
- Laboratory Testing
- Immunizations
- Prescription Services
- Mental Health Medication Evaluation
- Physician and Psychiatric Provider Consultations

Charges can occur for prescriptions, lab work, treatments, and procedures.

WELLNESS PROMOTION

The Wellness Promotion Team coordinates all outreach, education, and prevention services. Topics include:

- Physical Wellbeing
- Emotional Health
- Substance Use, Misuse and Addiction
- Behavioral Addictions & Disorders
- Sexual Health
- Sexual Violence Prevention

Students, faculty, and staff are invited to request programs and/or consultations on these topics and more. The Wellness Promotion Team is always happy to consider new and creative requests.

All Wellness Center fees are incorporated into the general student fees unless otherwise indicated.
