**Takodah YMCA, Swanzey, NH** (http://cheshireymca.org/)

The Takodah YMCA is proud to serve thousands of children annually with summer camp, heritage tours and outdoor programs for schools, community groups and families. Last year we served youth from 29 states and 9 nations.

Despite Camp Takodah’s wide renown, we maintain a unique emphasis on serving locals, and take special pride in our collaborations with over 40 communities in Southwest New Hampshire’s Monadnock and Fall Mountain Regions. Our "neighborhood" covers Cheshire, Hillsborough, and Sullivan Counties.

Whether your passions involve Summer Camp, Historical Travel, or learning about the great outdoors, you’ll find programs at the Cheshire Y your kids will remember for a lifetime!

**Timken, Keene, NH** (https://www.timken.com/)

The world’s industrial machinery relies on Timken for reliable, efficient performance. Every day, we take on the world’s toughest challenges. By applying everything we know—everything we’ve learned—we provide products and services that help our customers solve problems…making them Stronger. By Design.

As an industrial technology leader, we use our extensive knowledge of metallurgy, friction management and mechanical power transmission and translate that into value for our customers – helping them find answers to some of the world’s most complex questions.

Our full portfolio of products - bearings, gears, chain and related products - can be found in a broad array of industrial machinery, wherever gears and shafts turn. Our service offerings are designed to increase uptime and lower total cost of ownership.
True North Networks, Swanzey, NH (http://truenorthnetworks.com/)
All across America, people are increasingly talking about something called "Community". The term stirs thoughts of safe streets, good schools, neighborliness and people who care.

The quest for community has led companies to seek out new places to do business, and has moved families to look for new places to settle and grow - places where they can feel they belong.

Keene, New Hampshire is one of those places.

Our region is the heart of New England and is an easy two-hour drive to Boston, Hartford or Albany. New York and Montreal are but four hours away. In short, the Monadnock Region is connected, and still has its own sense of place, and its own identity.

True North Networks has a strong sense of community and supports many non-profit organizations throughout our region. While we believe in, and support our local community, we also belong to the national community and have customers in over 23 states.

No matter where you are, we can support you!

True North Networks has been providing IT Support such as technical helpdesk support, computer support, and consulting to small and medium-sized businesses. It’s always been our goal to provide enterprise-level IT practices and solutions to the small business sector, with small business prices. Our experience has allowed us to build and develop the infrastructure needed to keep our prices affordable and our clients up and running.

We partner with many types of businesses around the country and locally, and strive to eliminate IT issues before they cause expensive downtime, so you can continue to drive your business forward. Our dedicated staff loves seeing our clients succeed. Your success is our success, and as you grow, we grow. True North Networks is proud to be an employee-owned company.

Wediko School, Windsor, NH (https://www.wediko.org/)
Wediko Children’s Services is home to some of the country’s most passionate and dedicated child development professionals who help children and families increase safety, strength, and resiliency. Our leading professionals come from a broad spectrum of educational backgrounds including clinical psychologists, social workers, neuropsychologists, mental health counselors, guidance counselors, special educators, and more. This diversity of training disciplines and life experiences adds richness and flexibility to Wediko’s therapeutic capabilities, spanning across various psychodynamic and behavioral models. Wediko then hones the evidence-informed practices from each discipline and blends them into an approach that is uniquely Wediko. Integrating these models of clinical treatment into academic settings helps avoid duplication of services and discourages the artificial split between academic and clinical needs. The addition of Wediko’s psychopharmacology practice ensures that a truly integrated team serves each child’s needs in natural, healthy environments.
