General Information Regarding VT Driver Education Licensure

If you've been thinking about becoming certified to teach Driver Education in the State of Vermont, this information is for you. Please keep these pages of important information for future reference.

Vermont provides the opportunity to obtain endorsement/licensure to teach driver education in several manners:

- Licensed Teachers – can obtain a Driver and Traffic Safety Education endorsement or a limited endorsement for behind-the-wheel instruction only.
- Licensed Teachers not having a driver education endorsement - can obtain a Standard Driver Training Instructor License
- Individuals who do not hold a VT Educator’s License – can obtain a Standard Driver Training Instructor License through the Vermont Department of Motor Vehicles.

For specific information about the requirements for endorsement/licensure you should read the following links:

Licensed Teachers:
Rules Governing the Licensing of Educators and the Preparation of Educational Professionals

Licensed Teachers not having a driver education endorsement and Individuals who do not hold a VT Educator’s License
and
VT Driver Education Teacher/Instructor Preparation Program

Application to the Program-acceptance necessary prior to registration for courses (APPLICATION DEADLINE: Three business days prior to the course start)

To apply to the Program, you must:

1. Obtain the following records:
   (a) Criminal Record Check:
      VT licensed teachers - contact the human resources staff in the current district or the district in which you were most recently employed and request a letter on school stationary that indicates you have met the VT Agency of Education requirement for a criminal record check. If you cannot obtain a verification of your criminal history check from a district, then contact the VT AOE Pre-service Educator Quality Programs to obtain such verification.

      Individuals who do not hold a VT Educator’s License- An application for becoming a standard driver training instructor in the State of Vermont is required, complete with a notarized background check approval form, before registering for any Keene State driver education instructor training courses. The application for a Vermont standard driver training instructor may be found through the following link.

      If an applicant’s record contains information that will cause them to be denied endorsement/certification as a VT Driver Educator then the Program Coordinator will notify them that they cannot register for program. Withdrawal from the program will not guarantee the return of any funds paid for course registration.

   (b) Certified Motor Vehicle Driving Record from Vermont and any state where the applicant has held a driving license.
      The Vermont record can be obtained by submitting a Release of Motor Vehicle Driving Records Form:

2. Obtain three (3) professional references using the Recommendation for the Driver Education Instructor Preparation Program attached to this packet. Please note the individuals who are considered to be professional references. Complete the Applicant Information on each of the Recommendation forms and request that the individual completing the reference send it back as identified in the Directions for Reference section.

3. Submit a completed two-page application attached to this packet. The completed and signed application must be returned with the application fee to the Keene State College Division of Continuing Education at the address shown on the form. The application is also available on the web at the Keene State College link listed below under “Web Resources.” Applications are accepted on an on-going basis.

4. Complete an interview, records review and driving assessment with the Program Coordinator (if you are planning to enroll in the initial certification courses). You will be contacted by the Program Coordinator to schedule a meeting when the application and the three (3) completed Reference forms are received by the Division of Continuing Education office. Bring copies of the records obtained in #1 above to the interview. This meeting
will enable the coordinator to: review the application with you and answer any questions, review your Criminal and Driving Records documents and conduct an assessment of your driving skills. If the Criminal Records or Driving Record raises any questions that the individual will be eligible to apply for certification/endorsement upon completion of the required coursework then the individual will be directed to contact the VT AOE Pre-service Educator Quality Programs Coordinator or the VT DMV Driver Training Coordinator to have the records reviewed prior to being recommended for enrollment. If you are planning to enroll in courses to change/complete endorsement certification or for professional development, then you will not be required to complete this section (4) and will be notified, when the complete application packet is received, to register as indicated in Registering for Courses below.

5. **Acceptance into the Driver Education Instructor Preparation Program.** You will be notified by the Keene Office of Continuing Education as soon as possible after the meeting with the Program Coordinator (unless directed to meet with either the VT AOE or VT DMV staff) of your acceptance into the program and permission to register.

This is accomplished by Vermont residents paying their tuition to the Vermont Driver and Traffic Safety Education Association, Inc. (VDTSEA). VDTSEA will make payment to KSC upon invoice.

Vermont residents, wanting to take KSC courses for initial Vermont driver education teacher licensing or relicensing should, prior to submitting this application or a course registration, contact Lindsay Townsend, treasurer of VDTSEA, via email at lindsaytownsend@earthlink.net regarding payment for courses. It will be helpful to state, in the email, one's connection to a Vermont high school or a Vermont DMV driver training school. Stating that one is a Vermont resident will also be helpful.

Lindsay can invoice individuals or Vermont schools for payment. Schools issuing purchase orders should email them to Lindsay. Tuition payments will be made via check, payable to VDTSEA and mailed to VDTSEA, P O Box 197, Fairfax, VT 05454. Payments will need to be made at the beginning of each course. Credit cannot be extended by VDTSEA. Non-payments will be reported to KSC for appropriate action regarding course completion and academic credit.

While you are enrolled in courses, you will have an individual College account called MScs, accessed via a web browser (e.g. Internet Explorer, Netscape, Mozilla Firefox), providing you with a Keene State email account and access to the College’s web-based learning system “Canvas.” Many course components (assignments, readings, resources) will be provided by the instructor using “Canvas” and “Zoom.”
