

MATH REVIEW FOR *PRAXIS* EXAMS

PRAXIS CORE and *PRAXIS*: MULTIPLE SUBJECTS EXAMS INFORMATION SHEET

**The Math Center is here to help you prepare
for the math portions of the
Praxis Core and *Praxis*: Multiple Subjects exams!**

The Math Center offers the following services
at no additional charge to students

PRACTICE EXAMS for the math portion of both the *Praxis* Core (**ALL Education majors**) and the *Praxis*: Multiple Subjects exams (**Elementary Education majors ONLY**) are offered on the computer with the same number and types of questions you'll see on the exams. You receive a free score breakdown given immediately, so you know exactly which topics you'll need to review.

DROP-IN TUTORING WITH PEER TUTORS. You can come by during *Praxis* drop-in hours with any practice tests or study guides you're working through or come sit in the Math Center and work through a review packet with a tutor nearby in case you have questions! Tutors are available during the fall and spring semesters – see www.keene.edu/mathctr for the drop-in tutoring schedule.

For additional information or if you have any questions, please contact
Eileen Phillips at ephillip@keene.edu.

NOT SURE WHEN YOU'LL NEED TO TAKE THESE EXAMS?

See <https://www.keene.edu/office/teachered/students/decision-points/> for more information about the KSC Educator Preparation timeline. See www.ets.org for more information about the *Praxis* exams.
