Tutoring

If you would like to work with a peer tutor for any 100-level math course or IQL 101, please email Eileen Phillips at ephillip@keene.edu. In your email, include the course and times you would be available to be tutored. You will be assigned to a tutor who will reach out via email to schedule a time to meet over Zoom.

Peer Course Assistant (PCA) Study Sessions

PCAs are still holding their study sessions throughout the week over Zoom. For days and times, please email your PCA or instructor for the course.

Math Assessment Testing

There are limited testing times via Zoom. Please contact Lisha Hunter at Allysha.Hunter@keene.edu to schedule an appointment. In your email, include what exam or quiz you need to take.
