## **Furniture for Keene State College's Pondsides IV Residence Hall**

**Request for Bid. This is not an order.** The University System of New Hampshire reserves the right to reject any or all bids and to waive any formalities in the bid process. By responding to this solicitation, the respondent (or responding firm) acknowledges that, subject to the provisions of the New Hampshire RSA 91-A, also called "NH's Right to Know Law", all documents submitted as part of the response are public records after the issuance of an award, unless otherwise stated herein.

**Bids are to be submitted via UNH.Box.**

**Fax responses will not be acceptable.**

### **Respondents List or Summary of Bid Results:**

Please visit our web site at [www.unh.edu/purchasing/Bid-results.html](http://www.unh.edu/purchasing/Bid-results.html). Results are generally made available within three (3) business days after the due date. Time frame may vary depending on the complexity of the Bids and number of responses.

### **Holiday Closing:**

Refer to Section 1.7 Solicitation Timeline for a listing of any holiday closings.

**REQUEST FOR BID**  
**Furniture for Keene State College's Pondsides IV Residence Hall**

**1. INTRODUCTION**

**1.1 Purpose**

The University System of New Hampshire (hereafter referred to as USNH or Owner), representing Keene State College, is requesting bids for supply and installation of lounge, classroom and some residential furniture for KSC's new residence hall, Pondsides IV. USNH reserves the right to award in total or by brand or any combination thereof, in the best interest of the Owner.

**1.2 Contact(s)**

The contact (owner's agent) for this request for bid is Diane Cotter. All questions concerning this request for bid must be submitted in writing via email to [Diane.Cotter@usnh.edu](mailto:Diane.Cotter@usnh.edu). Any communication regarding this bid between firms and University personnel and/or evaluation committee members is prohibited, unless previously authorized by the aforementioned agent or his/her designee.

**1.3 USNH Terms and Conditions**

Terms and conditions are available on the UNH Procurement Services web site at [www.unh.edu/purchasing/forms.html](http://www.unh.edu/purchasing/forms.html). By responding to this solicitation, the Firm acknowledges that s/he has read, understands and accepts the USNH's terms and conditions.

**1.4 Department/Campus Information**

Please visit the following sites for detailed information relative to all campuses mentioned in "Purpose":

USNH [www.usnh.edu](http://www.usnh.edu)  
KSC [www.keene.edu](http://www.keene.edu)

**1.5 RFP Timeline (actual dates may vary slightly based upon individual circumstances)**

RFP Release	February 12, 2016
Deadline for Written Questions	February 18, 2016 at noon
Response to Questions	February 22, 2016 by C-O-B
Bids Due	February 29, 2016 at 2:00 p.m.
Award Decision by	On or about March 4, 2016
Preliminary walk-through for awarded vendors to view installation spaces	Mid- to late-June. Notice will be sent at least one week prior to walk-through date.
Delivery/Installation Start Date	Week of August 1, 2016 – some items have specific delivery dates noted in the specifications
Delivery/Installation Completion Date	All installations must be completed by 5:00 p.m. on Friday, August 5, 2016

**2. SCOPE OF WORK/TECHNICAL SPECIFICATIONS**

The specifications include three schedules: seating, tables and miscellaneous. USNH reserves the right to adjust quantities prior to final order placement. In addition, USNH reserves the right to place orders by brand (e.g., all Versteel items; all Steelcase items, etc.)

The use of brand names in the specifications is for the purpose of describing the standard of quality, performance and characteristics desired. Alternate brands of equal quality and features will be considered. The product lines proposed should be of a style similar in appearance and construction of the representative items specified. Products that meet or exceed all specifications will be considered. The Owner, in its sole discretion, determines equivalency, suitability and acceptability of any product offered.

Detailed manufacturer's published specifications shall be submitted for any and all items which are other than the brand and model specified. The Architect shall be the sole judge of quality comparison of all items submitted as substitutes for the specified brands and model numbers specified.

## **2.1 Order Monitoring/Expediting Requirements**

- 2.1.1 Firm shall be responsible for verifying all quantities prior to order placement.
- 2.1.2 Firm agrees that s/he shall communicate with the manufacturers after placing orders for the purpose of forestalling delays in shipment.
- 2.1.3 Firm shall have the responsibility of expediting the Manufacturers' delivery of all items covered in the purchase orders on a continuous basis until final completion of installation.
- 2.1.4 Firm shall reserve COM fabrics on a continual basis as required to meet the project schedule.
- 2.1.5 USNH will not accept substitutions for a fabric, if the quantity required is not available.
- 2.1.6 Firm will assume all costs to expedite production of fabrics to meet the construction schedule.

## **2.2 Delivery and Storage**

- 2.2.1 The Firm is responsible for receiving and storing their own materials, including unloading of delivery trucks, checking deliveries, transportation to the work site. Material and fabricated pieces may be stored on site only with permission of the USNH Owner representative.
- 2.2.2 Delivery, site access and parking shall be coordinated with the Owner representative.
- 2.2.3 Passenger elevators (2) will be available for delivery.

## **2.3 Supply and Installation**

- 2.3.1 Provide an onsite installation supervisor.
- 2.3.2 All field dimensions and measurements are to be verified by the Firm prior to final design and installation.
- 2.3.3 Provide all fasteners, fixtures, hardware, and accessories required to install furniture.
- 2.3.4 Firm will be responsible for finish protection (e.g., doors, jambs, walls), including floor protection, during installation process. Failure to note pre-installation conditions of the access/egress routes and installation locations in writing to the Owner representative prior to the commencement of the work will presume damage was done by the Firm during the project.
- 2.3.5 Firm will be responsible for proper placement of all furniture following the floor plan provided in the specifications.
- 2.3.6 The Firm, along with the Owner representative, shall examine each item. The Owner representative will be responsible to accept or request corrections or replacements for any item found to be substandard. Replacement and/or repair of substandard goods will be required within 30 days.

- 2.3.7 Installation will commence on August 1, 2016 and be completed no later than August 5, 2016. Note that Furniture Code items C-15, MS-01 and MS-02 have specific delivery dates/requirements. USNH reserves the right to change the installation schedule resulting from unforeseen conditions.
- 2.3.8 Normal working hours shall be from 7:00 a.m. to 5:00 p.m., Monday through Friday, unless otherwise authorized by Owner.
- 2.3.9 The Firm shall clean all work surfaces, tables and chairs upon completion of the work.
- 2.3.10 The Firm shall be responsible for removing packaging and trash daily. Dumpsters will not be provided.
- 2.3.11 The Firm shall take all measures required to ensure the safety of other firms on site as well as the safety of the Keene State College community and the general public.

## **2.4. Warranties**

- 2.4.1 Provide warranty against defect in materials and workmanship for a minimum of five (5) years from acceptance of completed installation.
- 2.4.2 Manufacturers' warranties: Firm shall complete manufacturer's warranty registration for all pieces and units so warranted and shall file copies of such warranties with USNH. Bids shall state all manufacturer warranty periods and details.
- 2.4.3 For purposes of warranties, final acceptance shall be the starting date of warranty period, except for work items noted as incomplete or unsatisfactory. Warranty of such incomplete or unsatisfactory work shall start on final correction and acceptance of such work.
- 2.4.4 Firm shall provide Owner with a project manual highlighting any additional warranties above those specified in the contract terms. The manual shall include product specific cleaning instructions and cleaning products.

## **3. REQUEST FOR BID INSTRUCTIONS/INFORMATION**

### **3.1 Overview of Bid Process/Timeline**

- 3.1.1 **Solicitation Release.** The solicitation is available on the web at <http://www.unh.edu/purchasing/Bid-docs.html>
- 3.1.2 **All questions concerning this request for bid must be submitted in writing via email to Diane.Cotter@usnh.edu.** All questions must be received by the Deadline for Questions (stated in Section 1.7). Questions received after the deadline will not be answered.
  - 3.1.3.1 Questions will be answered via written addenda. All addenda are published on the web at <http://www.unh.edu/purchasing/Bid-docs.html>.
  - 3.1.3.2 **It is the responsibility of the Bidder to verify that s/he has reviewed all addenda and other required documentation.**
- 3.1.3 Bids are due by the date/time specified in Section 1.5. Late Bids will not be considered.
- 3.1.4 All bids will be reviewed and evaluated by an evaluation committee, which will consist of USNH and KSC staff and representatives from Perkins + Will.
- 3.1.5 The evaluation committee shall make its selection by the date listed in Section 1.5.
- 3.1.6 Bidders may be asked to arrange site or showroom visits to view samples of any alternate furniture that has been offered.
- 3.1.7 Pricing will be submitted on the Appendix C – Electronic Bid Form (submit in MS Excel format) provided (posted separately). Pricing shall be net and include all costs to supply and deliver to Pondsides IV, Wyman

Way, Keene, NH 03435. Installation shall be quoted separately and noted in the appropriate place on the electronic bid form.

- 3.1.8 If installation is not provided by bidder's own forces, provide a list of installers who will be responsible for the furniture installation. Submit this list following the instruction to upload information to UNH.Box provided in §3.2.3. File should be named "Company Name - Installers".
- 3.1.9 Firm to provide drawings, finish samples, product information, as noted on the individual specification sheets, for final approval prior to order entry.

### 3.2 General Instructions

- 3.2.1 Contact with or visitation with personnel at any campus regarding this request for bid may not be made by the Firm's personnel without the prior approval of the USNH Senior Contract Officer or his/her designee.
- 3.2.2 Any oral information received from the evaluation committee or any other USNH personnel will not alter or change this request for bid.
- 3.2.3 Bids must be submitted to UNH.Box following the instructions below. **Faxed responses are not acceptable.**  
Instructions to upload bid documents to Box:
  - 3.2.3.1 File names should be in this format: Company Name – Bid; all supporting documentation (e.g., cut sheets, product descriptions of proposed substitutes, etc.) are to be identified by company name, schedule and item/furniture code.
  - 3.2.3.2 Click on the following link: [upload.13337\\_B.val5z0y0ss@u.box.com](mailto:upload.13337_B.val5z0y0ss@u.box.com). A new message window will open within MS Outlook with this link in the "To" line. Attach the files and send. There is no need to complete the subject line or include a message. Note: this link/email address is specific to the project; it is not a universal address.
  - 3.2.3.3 U.Box.com will send an automatic e-mail notification of your successful submission of your bid.
- 3.2.4 By responding to this request for bid the Firm acknowledges that s/he has read and understands the information contained within this request for bid and has taken the contents into account in the preparation of the bid.
- 3.2.5 The cost for developing bids shall be absorbed by the Firm.
- 3.2.6 USNH considers all terms and conditions to be accepted unconditionally by a Firm unless written exceptions are made to specific clauses of this request for bid. Such exceptions may, however, be used as a basis for rejection of the bid.
- 3.2.7 Failure of a Firm to follow the instructions of this request for bid may result in rejection of the Firm's bid.
- 3.2.8 The Firm certifies, by submitting this bid, that neither it nor its principals are presently debarred, suspended, proposed for debarment, have been declared ineligible, or voluntarily excluded from participation in this transaction (contract) by any governmental department or agency. If the Firm cannot certify this statement, attach a written explanation for review by the USNH.
- 3.2.9 In the case of a discrepancy between the unit price and the extended price, the unit price shall prevail.
- 3.2.10 After award of contract, no consideration will be given to any claim of misunderstanding of the contract documents.

### 3.3 Format & Contents of Bid

#### 3.3.1 Appendix C – Electronic Bid Form.

- Bidders must complete Appendix C – Bid Form in Excel format. Use the "specified items" worksheet if bidding on the items as specified; use the "alternates" worksheet if offering a substitute. Bidder shall verify all quantities using the floor plans provided in the specifications. Any discrepancies shall be noted.

- **Unit prices shall be net and include all costs to supply and deliver. In the case of a discrepancy between unit price and the extended price, the unit price shall prevail. Installation costs shall be separate and included in the appropriate location on the price table.**

**3.3.2 Product Information.** Provide brochures/pictures/cut sheets for any alternates offered. Literature must be marked with the Furniture Code to which it pertains and provide enough detail for selection committee to determine if it is acceptable.

**3.3.3 Unimarket Supplier Registration (Company Profile & Tax Profile).** Acknowledgment that your firm has completed the supplier registration. Note in the space provided on the electronic bid form.

USNH has implemented an automated E-Procurement, E-Sourcing, and Supplier Registration system hosted by Unimarket. This new system processes electronic bids, orders and payments. Your firm may have already utilized the E-Procurement or E-Sourcing module. To fully capture the efficiencies provided by this new system, firms submitting a bid must now complete the online supplier registration which includes a Company Profile and a Tax Profile (W9 or W8-BEN forms).

Visit <https://supplier.unimarket.com/app/register/community/USNHUMKT?3> to access the Unimarket site and register as a new supplier if you have never registered with Unimarket before.

Visit <https://supplier.unimarket.com/>, if you are a returning Unimarket-registered supplier, and login using your existing credentials.

Unimarket support is available by phone or email:

Support Phone: (888) 868-5929

Support Email: [support@unimarket.com](mailto:support@unimarket.com)

**3.3.4 Financial Statements.** Acknowledgement (Note in the space provided on the electronic bid form) that your firm is willing to comply with the following:

Financial statements are not required to be submitted with your bid. However, prior to an award, the University may request financial statements from your firm, and/or credit reports or letters from your bank and/or suppliers. If requested, and your firm does not comply with the request, this may be grounds for rejection of your bid.

Financial statements are considered confidential by the USNH. They will be destroyed when said documents are no longer required.

### **3.4 Evaluation Committee Rights/Rules of Conduct**

**3.4.1** The evaluation committee expressly reserves the right to reject any and all bids without penalty, to waive all technicalities and irregularities and deviations of bids from this request for bid, to decide whether a bid does or does not substantially comply with the requirements of this request for bid, to be the final judge as to which is the best overall bid, and to award a contract to the Firm whose bid it considers to be in the best interest to USNH.

**3.4.2** The evaluation committee reserves the right to award a contract without discussion or negotiation if it determines that such an award will result in fair and reasonable prices and would be the most advantageous to USNH.

**3.4.3** In the event that the awarded Firm refuses to enter into a contract, his/her bid will be rejected.

**3.4.4** The evaluation committee will treat all bids received prior to the due date and time as confidential. The committee may disseminate information to others whom the committee deems in its sole discretion to have an interest in the bid. In no event shall the committee be liable for any breach of confidentiality. All materials submitted, with the exception of any materials that both the Firm and committee deem as confidential (and so marked by the Firm) will become the property of the committee and will become part of the public record. Pricing may not be considered confidential information.

- 3.4.5 The content of the evaluation committee's working papers and discussions relating to the bids will be considered confidential.
- 3.4.6 The evaluation committee will evaluate all bids against the evaluation criteria listed in this request for bid and determine which Firm will best meet the needs of USNH.
- 3.4.7 In the event that a contract acceptable to the committee cannot be executed with the top Firm, the committee may eliminate that Firm from further consideration. The committee may then proceed to conduct negotiations and planning sessions with the Firm next preferred among the Firms who have not been eliminated. Such processes will be continued until either an acceptable contract is executed or all bids have been eliminated.
- 3.4.8 USNH reserves the right to negotiate simultaneously with more than one Firm.

### **3.5 Evaluation Criteria**

- 3.5.1 Evaluation criteria will be based on, but not necessarily limited to the following factors :
1. Price
  2. Ability to meet the delivery schedule
  3. Best value with consideration to suitability and price
- 3.5.2 Negative findings or judgments on the basis of any one of the above criteria may result in elimination of a given bid from further consideration.
- 3.5.3 The Owner is the sole determinant as to which bid best meets the needs and interest of the Owner.

### **3.6 Insurance Requirements**

Within ten (10) business days after the Owner mails, emails, sends a fax transmission or delivers a Notice of Acceptance, Agreement or Purchase Order, or prior to beginning work on campus, whichever is sooner, the successful Firm shall deliver to the Owner the Certificate of Insurance as specified in the USNH Insurance Requirements, available at the following web site: <http://www.unh.edu/purchasing/forms.html> in the Other Forms section. These are the USNH's standard requirements which shall apply unless otherwise specified within this document.

### **3.7 Payment Bond and Performance Bond (Required on all projects of \$100,000.00 or greater) - Not Used**

### **3.8 Mediation**

- 3.8.1 In the event the parties are unable to resolve a dispute, controversy or claim arising under this agreement, then either party may give written notice to the other party of its intention to mediate. Any dispute arising under this Agreement may be settled by mediation in the State of New Hampshire in accord with such procedures as may be acceptable to the parties.
- 3.8.2 If the dispute has not been resolved through mediation within thirty (30) days after the written notice beginning the mediation process (or a longer period, if the parties agree to extend the mediation), the mediation shall terminate and the parties shall be free to litigate the matter.
- 3.8.3 In the event of any mediation or litigation arising under this Agreement, each party shall be responsible for its own costs and expenses arising therefrom, including any and all attorney's fees. Neither party shall seek reimbursement from the other party.

## Wave 3 Position Task Chair– Technical Specification

### 80183-MESH

#### Features

- Dimensions: 19 19/64" W x 26 25/32" D x 33 7/8" - 36 13/16" H
- Seat Height: 17 29/32" - 20 7/8" H
- Mesh seat and back
- Chair converts from a task chair to a 3 position chair and companion stool.
- Tandem twist knobs on the sides of the seat for removal of chair from base.
- Butterfly Seat plate
- 360 Degree swivel
- Ergonomic seat and back contour and positioning
- Tilt lock control and adjustable tilt tension
- Unit Modularity: All component size and dimensions are interchangeable and blue printed as well as individually numbered to ensure long-term replaceability of components.

### Construction

#### **Mesh Fabric**

Mesh Fabric shall be made of 70% PVC and 30% Polyester. No less than .65 yards of Tenacious Mesh 2 Black fabric will be used to construct chair seat and back. Material shall be CAL 117 Flammability safety rated.

#### **Back and Seat Frame**

Back and seat frame shall be made of light weight, water-resistant, and heat-resistant injection molded polypropylene.

#### **Gas Lift Cover**

Gas lift cover shall be made of injection molded polypropylene and thermal plastic rubber

#### **Gas Lift**

Gas lift shall be made with steel and rubber with route of 80mm and length sink of 40mm. Gas lift shall have no loss of serviceability after 60,000 cycles of rotation under 250lbs at maximum height, and another 60,000 cycles of rotation at lowest seating position. There shall be no loss of serviceability after a 125lb weight free fall onto seat from 30mm height for 100,000 cycles. Gas lift shall be filled with force of 350N-400N air pressure.

#### **Base**

Chair base shall contain 60% nylon and 40% fiber

#### **Casters**

Casters shall be made of nylon and have a 50mm diameter.

# Solid Wood 2 Drawer Wardrobe— Technical Specification

Item# 10726

## Features

- Dimensions: 36"W x 24"D x 72"H(Without casters)
- Dimensions: 36"W x 24"D x 73"H(With casters)
- Material: 100% Solid Wood, Scientific Species -Hevea Brasiliensis
  - Top: Solid wood
  - Sides: Solid wood
  - Drawer Faces: Solid wood
  - Back: Solid Wood
- Wardrobe with two partial length non overlapping raised-panel doors and a center divider; 2 drawers and a clothes rod on the left and a clothes rod on the right. Two adjustable Shelves for either side. Adjustable Shelf holes drilled the height of the door and stop 5" from the top. Casters attached via underneath bracket.
- Computer-routed finger pulls on top and bottom of all drawers
- 100lb full-extensions ball-bearing glides
- Nitrocellulose catalytic lacquer finish on six dimensions
- Unit Modularity: All component size and dimensions are interchangeable and blue printed as well as individually numbered to ensure long-term replaceability of components.

## Construction

### Top

Top shall be 7/8" solid hardwood. Top shall be butt-jointed to side panels and fastened with screws.

### Doors

Where solid raised panel wood doors are called for, plywood doors will not be accepted as equal. Where solid wood doors are called for, solid wood doors must be raised panel floating construction to allow for non-humid control rooms. Panel shall utilize three bolt through five knuckle hinges with military grade tamper proof bolts, and a raised panel mortis and tenon slot system.

### Drawers

Drawers shall be made with English dove tails and where English dove tails are called for French dove tails will not be accepted. All drawers shall use English dove tails. Drawers shall be solid wood, front and sides with a plywood bottom. Drawer shall be connected with English dove tail in the rear and front with a rabbet cut on the vertical sides of the drawer to create a blind face.

Drawer faces shall be protected from side impact via full-length side panels. Exposed side drawers, when drawer is closed, shall not be accepted. All three sides of the drawers shall be no less than 1/2" thick solid wood that is constructed with dovetails. Drawer bottoms are glued into all four dado grooved drawer sides Drawers shall be supported with four corner blocks that are stretchered, glued, and nailed. Drawers shall be supported with two stretchers that are mortise and tenoned into the front and back of the drawer. Drawer bottoms are recessed into drawer sides front and rear by use of a dado groove.

Drawer slides shall be ball-bearing style, 100lb dynamic load rated with positive open and closed stops.

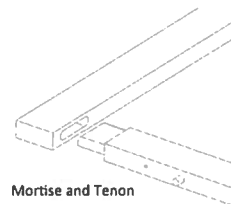

### Wood

Where the word wood is used, it shall mean 100% natural solid hardwood. Engineered, cut board, glued board or man-made wood shall not be considered equal. A grade of AA shall be used or cabinet-grade timber shall be expected. A/B, B/B, or C/C shall not be accepted. No knots larger than a dime shall be accepted. Knots the size of pencil tips shall be expected. The intent is to use the highest grade select wood possible. All hardwood to be used for finish work shall be absolutely clear and free from torn grain, checks, shakes, splits, cracks, sap, or other defects which may affect the structural integrity of the product.

All such materials shall be thoroughly seasoned and/or kiln dried to a moisture content of 8%-12% and then protected throughout all phases of production. Moisture content shall be maintained throughout manufacturing to insure complete structural stability.

### Frame

Frames shall be attached to sides of cases with multi-grooved glued dowels and wood screws. Frames shall consist of solid wood and only be allowed to have matching material of exterior of case. Cases shall be constructed using frame-in-frame dry floating construction method. Four-sided frames shall be no less than 7/8" thick solid wood and shall be constructed with mortise and tenon joints that are secured with glue and nails. Frames shall be placed at the top and bottom of the case and fastened with glue, dowels, and screws to the side panels that are no less than 3/4" thick solid wood. Finished back shall be 1/4" plywood and dado grooved into side panels and secured with screws.

### Finish

All six sides on any three dimensional items shall be finished, to ensure a full barrier and shall be suitable for construction grade institutional use quality. All interior parts should be smooth to the touch with a 440 or 220 grit nitrocellulose catalytic lacquer finish.

### Casters

Wardrobes shall have high quality grade casters. Casters shall have between 2" and 3" wheels. Casters will have a threaded stem capable of adjusting a minimum of 1" with a nut to lock the adjustment in place. Casters will attach to the wardrobe via bracket. Each wheel must have a 75 pound minimal load limit.

# Features & Benefits

University Loft Company's casegoods are constructed of Environmentally Farmed Timber and intended to partner with our beds to create maximum space saving capabilities.

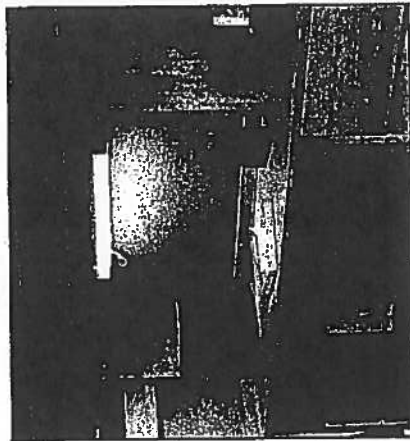

Using the best construction methods available, University Loft Company builds the longest-lasting, most durable casegoods on the market.

From top to bottom, everything about a ULC casegood is strong. Built completely of solid hardwood, these casegoods will stand the test of time.

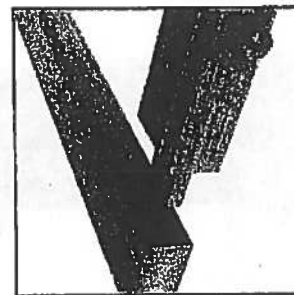

- Solid wood construction.
- All sides are stained and sealed.
- Over 20 years of design and manufacturing experience.
- Over 1200 satisfied college and university customers

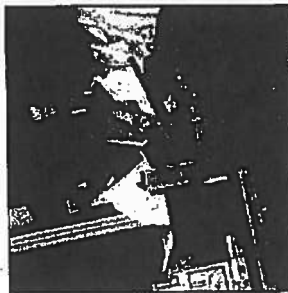

Optional Luan-cork Backing

Optional Under shelf Light

Mortise and Tenon Joints

Hevea Brasiliensis, the timber used by ULC, in independent lab tests proved stronger than Northern Red Oak.
